

Sprint Goal:

Have a functional fixed-question prompting interface that retrieves a predefined response from our database. Further populate the fixed content question database and refine the front end. Begin work on AI integration.

Team Capacities:

Base Capacity: 10 hrs

Harper:

- Base capacity: 7 hours
- Deducting one hour for interview preparations
- Final Capacity: 6 hours/week

JD:

- Base capacity: 10
- Deduct 5 hours first week for travel
- 15 total hours

Eddie:

- Base Capacity: 10 hrs
- Traveling for Spring Break
